

REBOUND *Netball*

The *Winning* Surface

The physically demanding sport of Netball demands a sports surface that can reduce player injury but at the same time, offer excellent grip. With their unique properties and advanced technologies, the Rebound Ace Sports range of surfaces delivers significant reductions in player injuries along with an improved level of grip - even in damp or wet conditions.

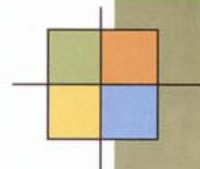

- Reduce player fatigue and injuries
- High level of cushioned player comfort
- 5 year warranty
- Available in 10 non-glare fade resistant colours
- Extremely low maintenance
- Indoor, outdoor and multi-sport use

REBOUND *Netball*

Improve your game with Rebound Ace Sports surfaces

There are four distinct surfaces to choose from:

- **Rebound Ace** - the premium cushioned Grand Slam surface that offers maximum player comfort and unsurpassed impact absorption both indoors or outdoors.
- **Rebound Impact** - a multi-functional indoor surface that delivers genuine impact absorption and grip.
- **Rebound Pro** - the affordable cushioned surface ideal for competition netball use.
- **Rebound Synpave** - the long lasting acrylic based surface with excellent non-slip qualities and low maintenance.

We can advise which surface best suits your needs.

Rebound Ace Sports surfaces have become the preferred choice of netball associations both here in Australia and overseas. Here's what some of them have to say:

"We ran a survey for six weeks of the injuries on the new surface and cross checked these results with our previous records to find that **over 65% of injuries had ceased**".
Sheryl Thomas, Knox Recreational Services, Knox City Council, Victoria.

"The decrease in jarring to joints has been widely commented on by our local players from Victorian country and metropolitan associations, as well as interstate visitors. **The safety of players was an important consideration in our decision to deal with Rebound Ace Sports.** our four court indoor stadium is used by over 3,000 players each week."
Jo-Anne Dash OAM, President, Ballarat Netball Assoc.

"Our members are thrilled with four new courts that we have covered with Rebound Pro. **They (the surfaces) have made a great difference to their play, especially during wet weather, as they are non-slip**".
Sharon Pratt, Secretary Orange Netball Association, NSW.

"Since our new courts were completed, (we have hosted) the Victorian State Championships and the Australasian School Netball Championships. Favourable comments have been received from all interstate and international participants... **The non-slip aspect of the surface has given minimal injury to anyone unfortunate to fall,** and I am sure in total use over seven days a week, there is an incredibly low injury rate - most days and nights, not an injury at all."
Anne George, President & Centre Manager, Waverley Night Netball Association Inc./Waverley Netball Centre.
